DIGITAL PRESENCE, GOOGLE SEO & REVENUE RECOVERY SUITE

Prepared for: **Rose Cafe · Arundelpet, Guntur**
5th Floor, Varasiddhi Arcade (Above Reliance Trends)

SERVICE CAPABILITY	WHAT IT DOES FOR YOUR RESTAURANT
1. Luxury Rooftop Web Showcase 5th-Floor Aesthetic Showcase & Menu `Ultra-Fast Responsive Web · Pure CSS`	Presents Rose Cafe as Guntur's undisputed #1 aesthetic floral sanctuary. Features interactive falling rose petals, high-res real photo galleries of the **Giant Rose Arch, Private Velvet Cabanas**, and a dynamic menu with live pricing and Veg/Non-Veg indicators. ✓ **Converts 35–50 high-ticket weekend searchers directly into confirmed bookings (~₹40,000–₹60,000/mo)**
2. 1-Click WhatsApp Table Concierge Frictionless Priority Table Booking `WhatsApp Cloud API · Direct Link`	Replaces unanswered ringing phones during dinner rush. Every dish, experience card, and call-to-action triggers a pre-formatted WhatsApp booking message with desired date, time slot, and cabana preference routed straight to management. ✓ **Recovers 6–10 lost table parties every weekend (~₹30,000–₹45,000/mo)**
3. Google Maps #1 Local SEO Engine Schema.org JSON-LD & Open Graph Cards `Google Crawler & Social Snippets`	Embedded structured metadata (address, 16.3067° geo coordinates, 4.6★ rating from 2,400+ reviews, hours, and cuisine tags). When anyone in Guntur searches *"cafe in Arundelpet"* or *"rooftop restaurant"*, Rose Cafe appears with rich star ratings and instant booking buttons. ✓ **Dominates #1 rank for Arundelpet dining queries (~₹35,000–₹50,000/mo in group walk-ins)**
4. Smart 5-Star Review Shield Table QR Sentiment & Feedback Router `Private WhatsApp Escalation`	Customers scan a table QR stand. Diners rating 4–5 stars are routed directly to Google Maps with pre-populated praise tags. Diners rating 1–3 stars are intercepted privately, bypassing Google and sending an urgent WhatsApp alert to the Manager's phone to resolve the complaint before the diner departs. ✓ **Permanently protects 4.6★ reputation · Eliminates 100% of public negative complaints**

SERVICE CAPABILITY	WHAT IT DOES FOR YOUR RESTAURANT
5. Social Media Conversion Pipeline Rose Arch Viral Traffic Monetisation `Instagram Bio & Story Integration`	Bridges the gap between @rosecafe_guntur social engagement and real cash bookings. Transforms visitors who view the Giant Rose Arch on Instagram reels into immediate dinner reservations through dedicated mobile-first booking landing pages. **✓ Turns 15,000+ monthly profile impressions into 25–40 high-margin weekend tables**

OPERATIONAL GUARANTEE: ZERO FLOOR DISRUPTION & ZERO STAFF LEARNING CURVE

None of these systems require table waiters or kitchen staff to install new apps, carry tablets, or alter daily kitchen habits. All booking alerts deliver silently to WhatsApp, preserving your team's natural workflow.
